

Other 10/22 Barrels

Many companies offer replacement barrels for the Ruger 10/22 action, and Ruger itself now markets a heavy-barrel factory model. We plan to continue testing the heavy-barrel Ruger rifle and other 10/22 replacement barrels soon.

Brownells offers one of the largest selections of replacement tubes for the 10/22. Here's a partial listing of the company's 10/22 barrels and prices. The items marked with an asterisk were tested in this issue.
