

Small Parts List

The Caspian Race Ready kit comes with most of the parts necessary to build up an I.P.S.C. limited gun, but the kit omits parts that Caspian does not manufacture. It must be supplemented with approximately \$200 of other parts. There are many options available, but following list details our choice of parts.

Bo-Mar, adjustable rear sight	\$65
EGW, 0.330 inch by 60-degree dovetail front sight blank	\$14
Wilson Combat spring set (18 lb.) and #3 barrel link	\$21
Videki, adjustable short aluminum trigger	\$13
Wilson Combat 4-ounce recoil spring guide rod	\$45
Ed Brown wide thumb safety	\$32
Standard magazine release	\$12
Total	\$202
