

Gunstock Interference Results

Each muff's rank was obtained by comparing it to its competitors: a 1 rank is the best, a 4 rank the worst. The difference between the Silencio and RidgeLine products was small, but our testers nonetheless picked the RidgeLine over the Silencio unit. Gentex's 1030A and Peltor's Tactical 7-S brought up the rear in this category.

Model	.22 LR Rifle Ranking	12 Gauge Shotgun Ranking	Overall Rankings
RidgeLine Pro-Ears Pro-Mag	1	1	1
Silencio Rangesafe RSX-87	1	2	2
Gentex Model 1030A	3	4	3
Peltor Tactical 7-S	4	2	4
