

SMITH & WESSON 627 REVOLVER

Patridge sight is highly visible.
but was missing gold bead

Cylinders will accept individual
rounds or moon clips

Barrel is crowned and
recessed. Chrome-moly
barrel lining didn't contribute
to accuracy

Satin-finish areas are
asthetically pleasing but
hard to clean

Trigger is
polished and
radiused

Round butt will fit a variety of
hands. Flat bottomed grip a plus
