

MOSSBERG 835 ULTRA-MAG

Straight stock reduced felt recoil with most loads

Some feeding problems experienced

Sight plane was nonreflective

X-Full, Full, Modified, and IC chokes were supplied

Trigger pull was spongy 5.5 pounds with excessive creep

Heavy forearm gave the gun a solid feel

Mossy Oak Fall Foliage camo finish was even and durable

ITHACA M-37 WATERFOWLER

Stock drop gave the gun a comfortable feel, but didn't help with felt recoil

Sight plane was clear and nonreflective

Full, Modified, and IC chokes were supplied

Heavy pistol-grip stock gave gun comfortable feel

Trigger pull was a crisp 4.5 pounds with no creep

Corn-cob forend was not comfortable
